COLLOQUIUM
UNIVERSITY OF PITTSBURGH
FRIDAY, NOVEMBER 18, 2005
704 THACKERAY HALL
4:00 P.M. to 6:30 P.M.

SPEAKERS: MATHEMATICS FACULTY
UNIVERSITY OF PITTSBURGH
TITLE: FACULTY CIRCUS

ABSTRACT: This colloquium will consist of ten short presentations featuring research of Professors Xinfu Chen, Mark Dickinson, Bard Ermentrout, Jason Fulman, Piotr Hajlasz, Tom Hales, Bogdan Ion, Chris Lennard, Juan Manfredi, Beatrice Riviere and Jonathan Rubin. The purpose of these presentations is to inform the beginning graduate students about research opportunities in the department. All graduate students are strongly encouraged to attend. This colloquium is part of the first-year orientation for graduate students.

Pizza will be served during the break in the Math Dept. COMMON ROOM, Thackeray 705
