

SUMMER MATH DAYS AT THE UNIVERSITY OF PITTSBURGH

June 26 - June 28, 2007

Have you ever wondered what mathematicians do? To find out, come and spend several days at a leading research University and enjoy exciting lectures given by mathematics professors.

Find out why math is fun!

This program is designed for students entering grades 10-12 or having taken equivalent math classes. All classes will be held in Oakland campus of the University of Pittsburgh. This program is free for all participants but registration is required. You can send your questions and registration information (name, email and/or phone number, list of high school math classes already taken) by sending an email to Dr. Vainchtein (aa44@pitt.edu) or Dr. Riviere (riviere@math.pitt.edu), or by sending a fax at (412) 624-8397.
